

How to Join an onVideo Meeting from an Android Device

1. Visit the BlueJeans Android page on the Google Play Store.
 - a. Download and install the BlueJeans Android app.
 - b. Launch the app from your device to begin.
2. After launching the app, to join the meeting:
 - a. If you have a BlueJeans account, sign in at the bottom.
 - b. If you don't have a BlueJeans account, click the **Join a Meeting or Event** bar.
3. You'll land in the app.
 - a. Enter the meeting ID (and passcode if necessary).
 - b. Enter your name.
 - c. Mark if you want to show your video.
 - d. Click **Join Meeting**.
4. After joining the meeting, you'll have the following in-meeting options:
 - a. Mute your microphone or camera and end the call.
 - b. Change video layouts (3 options), share content, and invite others to the meeting.
 - c. Open the participant roster and chat window.
